When we move, everything we own gets packed into boxes so we can take it all to our new home.

*On moving day, strong people will come and load all our belongings into a big truck.*

*Color Your Very Own Moving Truck!*

*The truck is going to bring all our  
belongings to our new home.*

Draw a line from the state you are moving from to the state you are moving to.

This is the route the truck is going to take to get to our new house.

We're going to have so much fun in our new home!
